Mr. Deno P. Emili  
PSI Diamond  
545 Clemson Drive  
Pittsburgh, Pennsylvania 15243

Dear Mr. Emili:

We at the Augusta Levy Learning Center are so grateful for the matching gift of \$475.00 from PSI Diamond for our 3<sup>rd</sup> Annual Kickball Tournament. This fun event has the dual purpose of raising autism awareness in our community and raising much-needed scholarship funds for our young students with autism.

Augusta Levy Learning Center is the only research-based autism treatment program in the state of West Virginia. This past year we received national recognition in a PBS documentary series called "Heroes of Hope," which highlighted grassroots organizations that are making a difference in their communities. We have successfully graduated 77% of the children we have served. Amazingly, over two-thirds of these children now attend regular education classes in their home school districts with no supports!

We cannot do this life-changing work without you. You are an important partner in educating our young students with autism, over 80% of whom are from families with low to moderate income.

You should be proud of your fraternity brothers at Bethany! They represent you well in the tournament each year by their leadership both on and off the field. This year marked the third year in a row that they took home the coveted kickball trophy.

Thank you again for your support!

Sincerely,

*Kathy Shapell*
