Dear Brothers,

I'd like to thank you for offering me the chance to experience all that Beta has to offer. The Institute has really opened up my eyes in ways to improve the Psi Chapter. Without your gift, I would have never been able to grow as a Beta like I have. Upon returning, I have a few plans on how to improve the chapter and become a great chapter. Again, thank you all for your tremendous generosity and Beta spirit.

Beta Wilderness Challenge

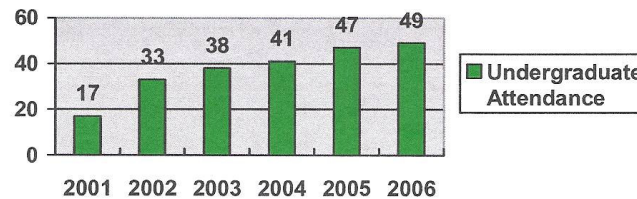

THANK YOU!!!

Once again, *The Donald W. English Beta Wilderness Challenge* 2006 was an incredible success. Because of your support and generosity, four sessions were conducted in the Wyoming Rockies involving 49 Beta undergraduates from across North America. Of our 125 chapters, 32.79% chose to send participants. This marks the sixth year in a row that the program has been "oversold." **WOW!!!**

Because undergraduate interest in attending *The BWC* continues, the General Fraternity has now partnered with the *National Outdoor Leadership School*, North America's premier provider of outdoor education. This will maintain a level of excellence that Beta Theta Pi has become known for in recent years. Given the fact that the program began in 2001 with only 18 undergraduates, *The BWC* program can be considered an absolute success!

**THANKS AGAIN FOR MAKING SUCH A DIRECT IMPACT ON BETA'S
UNDERGRADUATES.
WE COULDN'T DO IT WITHOUT YOU!!!**

"Revolutions have been accomplished and despots dethroned by the united action of small but daring associations. The great secret of their success consisted not in numbers but in union; not in great strength, but in well-directed and simultaneous exertions. What a few men united in object and effort will to do can be done; and more than that, such associations teach us in their records how far human friendship can carry us from the shrine of idol self..."

John Reily Knox, Miami 1839

THANK YOU!

Dear Psi Diamond Association,

It seems like only a few weeks ago I wrote to thank you for allowing me to participate in Snattitude. As my completion of BWC I have had a literal TON of Beta experience put in front of me and I still want more. BWC has really given me opportunities to grow and become a better person and stronger leader. Thank you so much for allowing me so many opportunities to make our beloved Psi chapter as great as it once was. I look forward to the years to come with being a Beta and a Psi alum.

Psi Diamond Charitable Foundation,

Thank you
for taking care of my BWC trip. I learned
a lot about myself as well as the workings of the
ritual. The outdoor experience was great. ~~The~~ Also,
from talking with other members I learned how to work
out common chapter problems, that hopefully I can
guide us through.

A good leader not only does
things right,

but finds the right things to do.

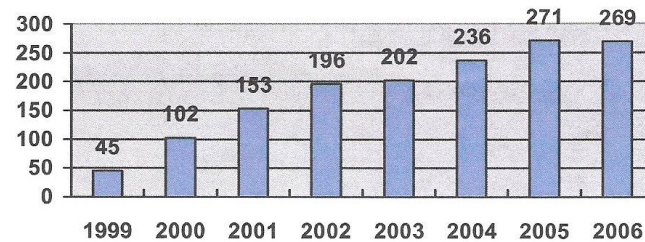

THANK YOU!!!

Once again, in 2006 *The Institute for Men of Principle* was an incredible success. Because of your support and generosity, four sessions were conducted in Oxford, Ohio, involving 269 Beta undergraduates from across North America. Of our 125 chapters, 72.13% chose to send participants. This marks the third year in a row that the program has been "oversold." **WOW!!!**

Because undergraduate interest in attending *The Institute* continues, the General Fraternity will again offer four sessions in 2007, thereby allowing chapters to send up to 12 men (three in each session). This will accommodate a total of 280 Betas next year (70 per session). Given the fact that the program began in 1999 with only 45 undergraduates, *The Institute* program can be considered an absolute success!
